Sub:- TSCOST - Department of Science and Technology (DST), GoI - National Science Day (NSD-2024) Celebrations - Joint program of TSCOST & EPTRI - Conduct of Competitions at District & State level - List of State Winners - Publication - Reg.

The Department of Science & Technology (DST), GoI announced the theme for National Science Day (NSD) 2024 is **“Indigenous Technologies for Viksit Bharat”**.

The theme LiFE on (1) Reduce Waste (2) Reduce e-Waste (3) Adopt Healthy life styles, (4) Adopt sustainable food systems (5) Say No to single use Plastic (6) Save Water and (7) Save Energy.

Unless life style for environmental changes are made, there is no means of protecting nature, environment and sustainable growth is possible only when each one realizes and willingly adopts behavioural change.

The Telangana State Council of Science & Technology (TSCOST) and the Environment Protection Training & Research Institute (EPTRI) conducted competitions sponsored by the Department of Science & Technology and Mission LiFE (Lifestyle for Environment) viz., Painting, Poetry, Singing & Elocution for the students culminating with NSD - 2024 celebrations program at Regional Science Centre, Warangal on 28th Feb, 2024.

The District level competitions in all the 33 districts of the State were conducted with the cooperation of Education department. The Jury selected 20 winners out of the 396 nominations received under 4 categories.

The prize distribution program is at the State level program being celebrated as a part of National Science Day celebrations scheduled at the Regional Science Centre, Warangal on 28th February, 2024.
