**Orientation Program to Child Scientists for National
Level Event 31st National Children's Science Congress
(NCSC) - 2023**

Organized by

Telangana Council of Science & Technology (TGCOST)

Date: December 17, 2024

**Venue: 6th Floor, Conference Hall, Aranya Bhavan,
Hyderabad**

Time: 10:30 AM to 1:00 PM

Introduction

The Telangana Council of Science & Technology (TGCOST) successfully organized an Orientation Program for Child Scientists to prepare them for the 31st National Children's Science Congress (NCSC). This event aimed to familiarize participants with the national event's framework, provide inspirational guidance, and equip them with the tools to effectively present their innovative ideas.

Welcome Address

Dr. C. V. Ramakrishna highlighted the significance of the NCSC in shaping children's futures by fostering scientific temper and innovation. Sharing a success story, he recounted an instance where a project presented at NCSC was selected for an international event in Japan, emphasizing the transformative potential of innovative ideas.

Address by State Coordinator NCSC

Dr. Sunke Rajendra Prasad delivered an insightful address on the importance of sustainability and innovation in addressing societal challenges. He emphasized the development of scientific temper as outlined in **Article 51A(h)** of the Constitution of India. His words inspired the participants to approach their projects with a focus on solving real-world problems.

Keynote Address

Dr. Syeda Azeem Unnisa elaborated on the guidelines, evaluation processes, and expectations for the national event. She motivated participants to confidently present their projects and encouraged them to approach the event as an opportunity to showcase their scientific talents.

Plan of Action

Shri. M. Sambasiva Reddy presented a comprehensive outline of the national-level event's logistical arrangements. He detailed timelines, travel arrangements, and support mechanisms to ensure smooth participation of Child Scientists in the national event.

Experience Sharing

Shri. K. Ramagopal Reddy (Escort Teacher):

Drawing on his experience from escorting participants to three previous NCSC events, he shared valuable insights on preparing participants and managing responsibilities during national events.

Shri. Sampat Kumar (National-Level Awardee & Guide Teacher):

Shri. Sampat Kumar, a guide teacher to one of the Child Scientists, shared his experience in mentoring participants for the NCSC. His practical advice on preparing projects and ensuring effective communication proved highly motivating.

Vote of Thanks

Shri. Y. Nitish Reddy concluded the program by expressing gratitude to the speakers, organizers, and participants for their contributions to making the event a success.

Conclusion

The program served as a platform to nurture scientific curiosity and innovation among children, ensuring they are well-prepared to represent Telangana at the national stage. The feedback from participants highlighted their enthusiasm and readiness to excel in the upcoming NCSC event.
