

Brief Report on Haritha Haram - 19/06/2023

01. Introduction

The Haritha Haram program, initiated by the Government of Telangana, which is a massive tree plantation drive aimed at increasing the green cover in the state. The Regional Science Centre (RSC), Warangal actively participated in this program by organizing a series of events and activities to raise awareness about the importance of environmental conservation and encourage community involvement.

02. Significance & Importance of Haritha Haram

The Haritha Haram program holds great significance due to its multiple benefits for the environment and society. It helps in combating climate change by reducing carbon dioxide levels, improving air quality, conserving water, preventing soil erosion, and providing a habitat for wildlife. Additionally, the program contributes to enhancing the overall well-being and health of the community, creating a more sustainable future for generations to come.

03. Agenda of the Haritha Haram Program at RSC, Warangal

The Haritha Haram program at the Regional Science Centre, Warangal, was organized with a well-planned agenda. The primary objectives were to create awareness about the program, educate participants about the importance of trees, and actively involve them in tree plantation activities. The agenda included the Tree Plantation Drive i.e., a designated area within the premises of the Regional Science Centre, Warangal and newly inaugurated SC & ST Cell Building were chosen for the plantation drive. Participants were provided with saplings and guided on proper planting techniques by the Staff of RSC, Warangal and SC & ST Cell.

Also, slogans on planting trees were spread to aware the common people about the importance of Haritha Haram Program. Following slogans were used as a message to spread the awareness by the students:

- Save trees, freshen up the environment.
- Plant a tree, plant a life.
- Plant a tree, save nature.
- Save Trees, Save the Environment.
- హరిత హారం - ప్రగతికి ద్వారం
- పచ్చని చెట్టును నాటుదాం - ప్రాణ వాయువును పొందుదాం.

04. Address by the RSC In-charge

Dr. Eerla Rakesh, RSC In-Charge addressed the students and audience on the occasion of Haritha Haram Program.

Dr. E. Rakesh said, “We gather here on a momentous occasion as we join hands with the state government in the Haritha Haram program, a noble initiative aimed at increasing our green cover and creating a sustainable environment for future generations. I stand before you as the in-charge of this program, filled with immense pride and gratitude for your presence and participation.

First and foremost, let us acknowledge the significance of this program. Haritha Haram is not just a tree plantation drive; it is a collective effort to combat climate change, preserve biodiversity, and create a healthier and greener ecosystem. Each tree we plant today will have a profound impact on our environment, purifying the air we breathe, conserving water, preventing soil erosion, and providing habitat for countless species.”

Dr. E. Rakesh emphasized the importance of environmental conservation. As young students, we hold the key to our future. It is your responsibility to protect and nurture our planet. The Haritha Haram program provides a unique opportunity for you to actively contribute towards a sustainable future. By participating in this initiative, we are taking a significant step towards being responsible stewards of our environment.

In conclusion, he extended his heartfelt gratitude to the state government for initiating the Haritha Haram program and giving the opportunity to be a part of this noble cause. He applauded everyone for their presence and participation.

05. Participation Details

The Haritha Haram program at RSC, Warangal, witnessed enthusiastic participation from various segments of society. The program attracted students from schools and colleges, local residents, etc. The diverse participation ensured a wide reach and helped in spreading the message of environmental sustainability to a larger audience. Around 150 participants helped in the plantation drive conducted at RSC premises.

06. Feedback of the Participants

The feedback from the participants was overwhelmingly positive. Many expressed gratitude for the opportunity to actively contribute to the Haritha Haram initiative. Participants acknowledged the significance of the program in creating environmental awareness and felt motivated to continue their efforts in promoting a greener and healthier ecosystem. They appreciated the informative workshops, engaging exhibitions, and the overall organization of the event.
